Our Vision:
To educate the students with the life skills necessary to achieve academic, social and emotional success.

Support
Recognising that we all have different learning needs and that we need to assist and help each other.

Opportunity
Providing every child a broad range of possibilities to achieve success.

Unity
Working as a team with common beliefs and understandings.

Responsibility
Being accountable and trustworthy.

Community
We are a group of people with a common interest.

Xcellence
Striving to be the best we can be.

2014 ENROLMENTS FORMS FOR KINDER AND SCHOOL AVAILABLE NOW
2014 Prep enrolments strongly encouraged to be in by the end of Term 3
KEEPING KIDS SAFE IN THE CAR

The road safety laws for using child restraints in Victoria. Please find attached information about the current laws in Victoria.

The Year 2/3 class has been researching the question, ‘How has transport changed our lives’. We have spent the last week comparing cars from the olden days to today’s cars and discussing how the safety features have improved considerably over the years. We have made posters with slogans to encourage people to be aware of the need to always wear a seatbelt or appropriate restraint for their age or height. After discussion with the students we have discovered that not all of them are using the correct restraint particularly for their height. We have decided to include this in the newsletter this week including a measuring chart so that families can be more informed.

We will be entering our posters into a competition run by Police called Caring About Regional Safety (C.A.R.S) - Ann Brimblecombe Memorial Award.

YEAR 2 AND 3 MATHS

On Tuesday the Year 2 and 3 students completed their work on Area by drawing chalk Chess/Checker boards on the cement outside. They then were able to enjoy a game of checkers and draughts.
**SCOUT VICTORIA RAFFLE**

Raffle books are due back at school **THIS FRIDAY 30th AUGUST**. If you have not sold any tickets we ask that you return your raffle books anyway as we need to account for all tickets sold or unsold. I will be starting to ring around families who have books outstanding next week.

**SCHOLASTIC BOOKCLUB**

Book catalogues were sent out this week for this months Bookclub. Please note that orders are due by Friday 30th August. Books make great presents for friends and family. Payments can be made online if this is easier. Follow the directions on the order form.

**HEAD LICE**

Please remain vigilant about looking through your child/ren's hair for headlice. We have had 4 cases this week. Students are not permitted at school unless they have been treated. If anyone is looking for a chemical free way of getting rid of these pesky bugs, cover your child’s hair in thick white conditioner. Tea tree added to conditioner is also good if you have it. Cover your child’s hair with a shower cap for 1/2 hour then comb hair thoroughly. You will see that the eggs are easily removed as the lice are unable to grip to the hair. Then wash hair thoroughly. This should be repeated each day until no further sign of eggs are found.

**PARENT GROUP NEWS**

**Election Day BBQ and Cake Stall** - **9am to 2pm** on Election Day Saturday 7th September. Plates will be sent home at the beginning of Election Week so families can donate cakes, biscuits and slices. We ask families to return these on the Friday or Saturday morning. Anyone who can assist for an hour or so on the day either cooking sausages or selling cakes and donuts please see Lisa or Anne.

**Twilight Festival** — Friday 15th November.

If anyone is keen to help out with any of the above or if you have any ideas for Parent Group please contact Anne Stanmore.

**Any assistance which may be given during these events would be much appreciated.**

This week we were very fortunate to have a visit from Annin and Echomoe Soldier Wolfe. They assisted Elina in her Cultural Studies presentation of Wyoming, North America. It was a fascinating presentation and we were able to learn about their daily lives, traditional dress, dances, language, art work and many other interesting facts.

HEALTH AND PHYS ED CLASSES

This week we are discussing the importance of regular exercise. It is recommended that we all spend at least 30 minutes each day doing some form of exercise.

With the change of weather, I am encouraging students to remember-

- Shorts
- Trackshoes/runners
- Water bottle
- School broad brimmed hat

FAREWELL TO COCO AND ADAM

Last week we said farewell to Coco and Adam who enjoyed time with the students at recess and joined in on Book Week activities and Music.

Coco and Adam came to Mount Beauty from Shanghai, China. They stayed at Mount Beauty Homestay from July to August and spent 8 weeks getting to know the area. They attended our school for some of their English lessons and at times joined in with the After School Care Group. They had fun at Bogong Horseback Adventures, Roper’s Farm, the Fish Farm at Harrietville and Falls Creek for skiing. During their stay Coco and Adam spent time with some local families and were able to make friends with other children.

We wish Coco and Adam and their families all the best in their futures.
