Message from the Principal:

Dear Families,

Term 1 has come to an end quickly with lots of great achievements by our students. Please have a safe and enjoyable holidays with family and friends.

School Council

Our AGM and first Council meeting was held on this week. Mark Lucey was elected President and Yvette Hind as Vice President. I would also like to welcome our new councillors Andrew Macklan and Janet Kay and returning to council Graham Boote and Michelle Niedzwiedzki.

School council has a number of sub committees, the most active being Buildings and Grounds. We are seeking any other parents who would like to be involved.

The committees are: Building and Grounds, Promotion and Publicity, Grants, Curriculum and Policies. Please speak to Mark or myself if you would like to be involved.

Cluster Athletics

Well done to all our Year 3-6 students who participated in the Cluster Athletics sports yesterday. Thank you to the many parents who assisted on the day.

Congratulations to Lachlan Stripeikis who took out the 11 year old boys age champion.

Kim Franzke  Principal

HAPPY EASTER TO ALL. HAVE A GREAT HOLIDAY AND WE WILL SEE YOU IN TERM 2.
**Yoga With Bill**

We thank Bill for taking the time to come and show the students some valuable relaxation and stretching techniques this term. The students really enjoyed this activity and have learnt techniques which they can share with family at home.

**Term 2 Music**

The last few years we have enjoyed having Conrad teach our students for Music in Term 2 and 3. Unfortunately due to the demand from other schools for Conrad’s services and a clash with our timetable we will not be having Conrad at school in Term 2.

We are aiming to be able to have him here in Term 3 if a solution can be found with the timetable between other schools.

Teachers will be planning a dance program which will introduce students to a range of different styles of dance. We are planning to have some visitors to the school for a some weeks to teach. We are looking into bush dancing, indigenous dance and Hip Hop.

**Kitchen Garden Update**

Another busy day with Making Day. In the kitchen the students were busy making Easter Biscuits for all the students to bring home in their Easter baskets which the students made last week.

The making of the mural has moved outside with students today sorting them all into their colours and with the services of Ann Stanmore the picture on the mural board is being outlined.

The gardening gang are cleaning up the vegetable garden and picking lots of ripe vegetables. It has been a very busy term and the students are really taking ownership of the tasks which need to be done around the school.

**HAVE FUN, GET FIT, AND RAISE MONEY!!!**

Wow!! Its that time of year again!!! EASTER!!! And with Easter comes Chocoate and bunnies and Good Friday and with Good Friday comes THE ROYAL CHILDRENS HOSPITAL GOOD FRIDAY APPEAL!!!

So how can we help???? Easy!! We can make a difference and help by getting together as a community and walking for the cause to raise money that goes towards medicine research and special equipment that is used to assist these beautiful children that require these things to be cured or cared for in the best way possible.

Last year the Mt Beauty community did an awesome job and raised $12,000 and with your help this year, along with Tawonga and Mt Beauty CFA and our few regular collectors we would like to beat it!!!! last year we were short on walkers and had to send people out 2 or 3 times to cover all areas. So this year we would really love to see more people!!!

So please pencil this date into you diaries, gather and organise your friends, families or even co workers to come along with you. Make a day of it and make a difference!! What could be more rewarding?? And hay, maybe you may even make new friends along the way!!!

ROYAL CHILDRENS GOOD FRIDAY APPEAL
