Message from the Principal:

Dear Families,

Woody’s World Music Festival Excursion

Tomorrow the whole school will be travelling by Falls Creek Coach to the Mount Beauty Community Centre for a performance organised for us by the Music Festival Committee. **We will be leaving school at 9.15 SHARP** and returning at approximately 2pm. There will be no lunch orders. The $5 entry cost and bus will be covered as part of the local excursion component of our school fees.

Girls Group / Boys Group

Our Year 4/6 girls this week worked on positive self esteem and thinking good thoughts about themselves and each other. They hung doilies on their own backs and wrote things that they value about their peers and positive affirmations for each other. They are aiming to remember these kind truths about themselves when they feel low.

The boys talked about kindness and thinking before they act. We went down to the Tawonga tennis court again with Mr Flower.

Fun Run Cross Country

Congratulations to everyone on your efforts last Friday. Those students who have qualified for the next round will be notified shortly.

Music Festival BBQ Fundraiser

Each year our school runs a food stall at the Music Festival. This year we are rostered for Saturday 30th April and will require help throughout the day. This is one of our main fundraising events for the year and we hope that every family who is available can help out for a time during the event. Every little bit of help would be appreciated.

**PLEASE NOTE THAT THE DATE HAS BEEN CHANGED FROM SUNDAY TO SATURDAY.**

Assembly Friday 3.00pm.

Thank you to the students who laid the wreath on ANZAC Day on behalf of the school.
Making Day

Today in Making Day we had some great parent volunteers Erin in the kitchen, Anne helping with our mural design and Evan in the gardening group.

The Making group started designing the animals out of bottle tops that will be going on our large mural. They also learnt how to cut using a mitre saw. Thank you to Dick from the Mt Beauty Mens Shed who has assisted with getting some materials prepared for us to make picture frames.

Our cooking group made meatloaf balls and talked about measuring and weighing their ingredients accurately.

The gardening group planted more native shrubs in the dry gully, weeded and racked some autumn leaves.
