Our Vision:
To educate the students with the life skills necessary to achieve academic, social and emotional success.

Support
Recognising that we all have different learning needs and that we need to assist and help each other.

Opportunity
Providing every child a broad range of possibilities to achieve success.

Unity
Working as a team with common beliefs and understandings.

Responsibility
Being accountable and trustworthy.

Community
We are a group of people with a common interest.

Excellence
Striving to be the best we can be.

Message from the Principal:

Dear Parents,

School Lunches
We encourage students to bring healthy food to school and ask that students eat this before any treats. Foods including chocolates and chips are discouraged. All classes encourage the eating of fruit as a snack before recess. It is great to see some creative lunch ideas including dips, wraps, soups etc. If your child is a picky eater we are more than happy as a staff to support you in encouraging them to eat a wider variety of foods. We do our best to ensure that they eat what you have provided for them.

Combined School Band
Last Friday Madeline and Isabella attended a concert at the Wangaratta Performing Arts Centre with Jarrod Policha from Mt Beauty Secondary College and more than 30 other students for our neighbouring schools. They were performing in the Victorian Schools Music Festival and the band received a silver award for their efforts. Well done girls for all your hard work.

Royal Flying Doctor Service visit
On Monday 8th September the Royal Flying Doctors service will be visiting our school with an Aero-medical Simulator. Students will participate in an hour long education program. We are asking families to make a donation towards the service. Our kinder student will also be joining us for the program. More information next week.

Scouts Raffle
Thankyou to those who have returned raffle tickets for the Scouts Schools Raffle. It looks like we will have raised $217.50 at this stage for our school from this event.

FATHERS DAY BREAKFAST

Our annual Father’s Day Breakfast will be held next Friday, 5th September to celebrate with our Dads. A hot breakfast will be served from 7am for Dads, Grandfathers etc and our students.

This is not a ‘sit down together at once’ event - all families run on a different morning schedule, by being flexible and starting early we hope as many dads as possible will be able to make it.

To allow for catering could this RSVP please be returned no later than Tuesday 2nd September.

No. adults attending: ______________________ No. children: ________

Approx arrival time (please circle): 7.00  7.30  8.00  8.30

This event is provided by the Parent Group. As always, many hands make light and enjoyable work. Please indicate if you are able to help on the morning and if so, from what time you would be available.

I, ______________________ can help out with the Father’s Day Breakfast and will be available from ______ am

We had our second meeting of the term last week and have put together plans for our Father’s Day Breakfast (see details in this newsletter) and for a meal deal to occur in the last week of term. Funds raised will go to the students to purchase some toys or equipment they decide upon together. It’s great seeing the students take on this responsibility and they do it so well.

We are planning a Pizza Drive for the first week back. Details will follow as soon as we have finalised them but the plan is for Flour & Water to provide pizzas for us to sell. This fundraising will go towards helping reduce the cost of camps for the Yr 3-6 students.

Spring starts next week and the school is in need of some spring cleaning, especially in the yard and the Multi-purpose Room. We are planning a working bee for early term 4, possibly Sunday October 12. We realise not everyone can make it on a specific day so look out for a list of jobs to do in the near future - any help ticking off an item when you’ve got a spare hour or so would be a great help.

Our big event for the year is the Twilight Festival on Friday 28th November. So far our plans include having the pony rides, a jumping castle, food and music, a book fair and market stalls again. Any offers for help in organising this event will be gratefully received. Also, now is a great time to be letting family and friends who might wish to be a part of the festival know so we can make the evening as busy and entertaining as possible. Closer to the event we’ll be asking for volunteers for the night. If every family could help out for an hour the night will run very smoothly.

Our next meeting will be early in Term 4. As always, we love seeing new faces.

Kate

Mrs K Class Report

It’s near the end of week 7 and the pace in our classroom is buzzing along.

There are some terrific projects underway.

The launch of the Children’s Story book edges closer. The date for this occasion is now –

**Week 10 Wednesday September 17th**. The standard of work is superb and well worth celebrating!

Parents will be most welcome to join us on this day.

Students are enjoying the exploration and discoveries in The Chemical Clues work.
I’m guessing you all would like to know what we have been doing in the classroom lately. As you are aware we have a student teacher (Liz) from Deakin University. Liz has another 3 weeks at Tawonga PS and her last week at Tawonga PS she’ll be teaching the students for the whole week.

**Maths:**
The students have been looking at money, measurement (informal units), how to make numbers (hundreds, tens and ones).

**Writing:**
The students have been working on a variety of writing genres these include: narratives, information reports and recounts. With handwriting we are looking at letter formation and working on student’s handwriting formation when writing a sentence.

**Integrated Studies:**
The students have been working hard with Liz looking at force. Yesterday, they were working with plasticine and they designed a wolf out of plasticine. When doing this activity they had to think about what force is used when you squeeze, pull, pinch and thump the plasticine.

**Fantastic work children**

Thanks

Kellie Rutherfurd
Mount Beauty Little Athletics Centre - Special General Meeting

We value your input and support to allow this service to continue in the community. Special General Meeting to vote on incorporating with Consumer Affairs Vic in line with Little Athletics Vic developed model rules.

We will also be detail planning the 2014-15 season to start in School Term 4.

When: Tuesday 09 Sept 2014 @ 7:30 pm
Where: Mount Beauty Information Centre meeting rooms (Hoppet Office)

For further details and information please contact:
