Message from the Principal:

Dear Parents

Initial Transition Visit

On Wednesday we hosted 36, 4 year old kinder students from Tawonga and Mt Beauty Kinders. They listened to a story, made a book about being at school and then went on Kellie’s famous bear hunt around the school grounds.

It is this time of year that all schools and kinder services are asking families to start thinking about 2015. Enrolments forms are available at the office or on our website. If you know of any prospective families for next year please encourage them to come and have a look around our school.

Tory Thomas’s visit

On Friday afternoon we were lucky to have Tory Thomas visit the school to talk to us about her experiences at the recent Commonwealth Games in Glasgow. The older students prepared thoughtful questions and asked them in an interview style format. Tory was very impressed with the detail and organisation that the senior student showed.

Car Park

After mentioning in the newsletter last week about car park issues a parent suggested a solution. At our staff meeting last night staff agreed to park on the road side of the car park which we hope will minimise the number of students who will need to walk across the car park at our busy pick up time. More students will now be able to use the walk way.

School Council Update

Council has approved the plans to refurbish the Multi Purpose room. This will see a kitchen installed along one wall and some movable storage trolleys built for storing musically instruments and art work. Most of the materials will be reclaimed which will assist in dramatically reducing costs. Parents Group have agreed to fund the works up to $3500. Stay tuned for information about working bees to being work.

School Council has also agreed to a proposal to look into the feasibility of occasional day care being provided between 9 - 3.30pm as an extension of OSHC for 3-5 Year olds. Kath Lewinson the co-ordinator approached us after parents in the community asked whether this service could be set up.

5/6 Queenscliff Camp

Students will be receiving an information pack with details of the camp to be held from Tuesday 28th to Friday 31st October. A payment plan can be set up to assist with payment for families interested.

Please nominate Tawonga Primary School if you order any items. If you would prefer to browse through a catalogue we have a supply here at school, just see Lisa in the office.

Student Teachers

We have been very privileged to have Georgia (Ms B) with us for the past 5 weeks working with the 3-6 class. Georgia finished with us on Monday and we wish her well.

We now welcome Liz who will be working until the end of the term in Kellie’s class.

Hello, my name is Liz, I am a student at Deakin University in Melbourne and will be on placement in the Prep-Yr1 room with Kellie for the next 5 weeks.

For assignment purposes, I will have to film my teaching therefore families of Preps to year 3s will be receiving a form for this purpose. Although filming is mostly of teaching, students may appear on the film at times if they are moving around the room. If you do not wish your child to appear on camera at all, that option is available on the form. I look forward to working with these students and meeting you all throughout my time here.
