Making Day

Last Thursday Making Day group kept busy.
Further work has been done on our mural with drilling of recycled bottled tops to secure them in place.
The gardening group continued preparing planting beds in our vegetable patch ready for spring. They tidied up the strawberry runners.
In cooking the students made Gluten Free chocolate brownies and Orange and Lemon poppyseed muffins. Citrus was used from our garden for the muffins.

Message from local police

Police at Mount Beauty have recently been tasked to monitor and enforce the school speed limit of 40kmh at the posted times – this has been due to complaints raised by a variety of local community residents.

On the times Police have monitored this speed zone it has been evident that a large majority of vehicles detected exceeding the speed limit have been entering the Tawonga Primary School car park. It is by this action we assume these vehicles belong to the parents and or carers of the children of the school.
The reduced speed zone is in place for a very good reason.
Persons caught speeding through this zone can be expected to be intercepted by Police and issued with an infringement notice.

It has also been noted vehicles have been parked in close proximity of the school crossing on Kiewa Valley Highway. Under Victorian Road Rules vehicles are not to be stopped 20 meters before a children’s crossing or 10 meters after a children’s crossing.
If you wish to discuss the matter further please contact Leading Senior Constable Peter JOHNS at the Mount Beauty Police Station on 57544244.

**CAMPS, SPORTS AND EXCURSIONS FUND DAIRY ASSISTANCE**

In 2016 the Victorian Government implemented a response package to assist dairy farming families. This included assistance for primary and secondary students attending schools (government and non-government schools) where one or both parents:

- Own an operating dairy farm
- Are share farmers on a property primarily operating as a dairy farm
- Hold a lease for an operating dairy farm
- Work as an employee on an operating dairy farm and this is their main source of employment.

The Dairy Assistance CSEF payment of $375 will be paid to the school that the student is currently enrolled at the start of Term 3, 2016.

Parents can apply for the dairy assistance funding by completing an application form, available from the office, and lodging it by 18 November 2016. The school will allocate the payment directly to benefit the eligible student.
