Our Vision:
To educate the students with the life skills necessary to achieve academic, social and emotional success.

Support
Recognising that we all have different learning needs and that we need to assist and help each other.

Opportunity
Providing every child a broad range of possibilities to achieve success.

Unity
Working as a team with common beliefs and understandings.

Responsibility
Being accountable and trustworthy.

Community for Nature Grant
In term three Kim and parents from school council applied for a grant to improve the dry creek bed at the school. This week they have been informed that they are successful with the grant application. Tawonga Primary School has secured $10,000 for the development of the dry creek bed. Well done and thankyou to Yvette, Kate and Kim on their hard work completing the application.

Julian Collins
Last Friday night Julian Collins (Mr Collins) had his retirement send off (few drinks at the Dederang Pub). Thanks to everyone who attended his farewell, it truly was a memorable evening, with great company, terrific speeches and excellent music arrangements from Julian and friends.

Working Bee
On Saturday a dedicated group of people participated in a working bee at school. A huge ‘Thank You’ to all who were able to come along and give some time. The gardens are looking spic and span. Your help is much appreciated.

Prep Transition Day
This Friday will be our first prep transition day, starting at 9.30am to 11.00am. This Transition day will be held with Mrs Ellen Gorham. It is very important for the students to become familiar with all staff at the school as well as the students. Therefore, this program will allow our preps from 2014 to participate in the transition and to introduce the new preps to a buddy from year 4 and/or 5. All looking very positive for 2015!

End of Year Performance
It is that time of the year again where we start to get ready for the end of year production. This years production is called ‘The Circus’. So far, the students in Year 3-6 have read through the play and taken a look at all the characters.

So PARENTS if you are interested in assisting with the production either by helping the students to act, preparing back drops, organising costumes, teaching students to sing, please express your interest to myself or Lisa with an area you are able to help out with. I will organise a meeting with interested parties by weeks 3 or 4.

Kim’s Progress
As many of you will know, Kim’s father passed away unexpectedly last week. Kim will be taking some time off and a replacement principal is being organised during this period. Depending on availability, this will occur either next week or the week after. During Kim’s absence this week we have been lucky enough to have Trish available to teach in the classroom. The students are working well and we thank Trish for her work during this time.

Kellie Rutherfurd
Our next scheduled school council meeting was to be next Wednesday the 22nd. In order to have the principal position filled and for them to settle in, we would like to postpone the meeting to the following Wednesday 29th at 5.15pm.

Outstanding School Fees 2014

Families who have fees still outstanding for 2014 will receive a statement with today's newsletter. Please make payment to the school office as soon as possible. Alternatively payments can be made via BPAY. If families have any questions regarding their statements please don’t hesitate to contact Lisa on Tuesday, Wednesday or Thursday.

Junior Sports Day

Tawonga Primary School hosts the Junior Sports Day each year where we have the Prep to Year 2 students from Mount Beauty, Falls Creek and Dederang Primary Schools come along to enjoy a day of games and activities. This year this event will be held on Wednesday 12th November. Any parents who are able to assist with this please speak with Kellie. More information regarding this day will be out in the coming weeks.

Resilience Emergency and Prepare (REAP)

Next Tuesday our Year 3-6 students will be attending a program held at Mount Beauty Primary School which will educate them about the need to prepare and plan for emergencies, without being too scary.

This program is offered and run by Alpine Shire and is designed to encourage students to go home and talk about what they have learnt and in turn to encourage the parents to think about their own risks where they live, what they can do to decrease that risk and encourage planning that the entire family is familiar with.

This program will run between 10am and 2pm and is Free of Charge. Mr Wright will be driving a small bus supplied by Falls Creek Coaches too and from the event. Students are asked to return permission forms by Monday to Mr Wright.

Students are required to be in school uniform and bring their snacks, drinks and lunch as usual.

Any further information can be given by Mr Wright at school.

Once Upon a time there was a banana sheep. He was a good sheep. There was a cow sheep who was a noob. He was a party poopa. The banana sheep does what he was told. By Andres.

Once upon a time there was a pink sheep. Here is the cat sheep, but where is the goat sheep? Here is the purple sheep. Here is the rose sheep. But where is the goat sheep? Here is the banana sheep. Here is the sun sheep. But where is the goat sheep? Shhh, here is the goat sheep “Boo”. By Rosie

Once upon a time there were many different sheep. First, there was a country sheep then there was a white sheep. Next, there was a goat sheep. But where is the boo!!!. By Harry.

Once upon a time there was a blue sheep. First a red sheep came to the blue sheep. The clouds were moving in the sky. Then the colourful sheep came to the blue sheep. Then the red sheep and the colourful sheep fell asleep. The blue sheep then left the colourful sheep behind. A tree came to the colourful sheep. They said where is the colourful sheep? Next they walked back to the colourful sheep then said Boo!
