Dear Parents,

Open Day and Arts Performances
It’s all action stations at school at the moment as we prepare for the performances to take place next Wednesday night. The Open Day and night are for all members of the community, so please be sure to tell others around town who may be interested. They can come for a look around during the afternoon, or come for the performance in the evening (arriving by 6:45pm)
There will be visual arts on display, project work of various kinds, and students will give performances in children’s literature, Australian poetry, and of course, music.

Help, Please!
Heavy lifting Friday 4pm,
Clean up Sat 10am
In order to clean up the last odds and ends prior to Wednesday’s open day, we need a hand with some heavy lifting at 4pm tomorrow – to move a piano and a heavy steel bench. Five or six men would be great - just for 10 to 15 minutes. We also need a few helpers at 10am Saturday for the final rubbish removal and tidying around the old buildings and kindergarten. If we get a few there it will be a very quick job.

Principal changeover
We are all delighted to have an experienced principal coming to Tawonga, and Kim Franzke is equally pleased to be bringing her young family into our community. I have invited Kim to introduce herself to you in this newsletter, and she will be travelling to Tawonga to spend next Tuesday with Gary Fletcher and me in preparation for taking over.

Dog Safety
All classes attended a dog safety session yesterday. This is something we do every two or three years, as children are normally injured by dogs belonging to neighbours or friends.

Principal
A WORD FROM OUR NEW PRINCIPAL – KIM FRANZKE

I would like to introduce myself.

My family and I are very excited to be joining your community in a few weeks. I will be moving to the area with my husband Evan and two sons Alec 4 yrs and Eddy 2 yrs. We are originally from Melbourne but have spent the last 18 months over the mountain in Omeo. I have had a long involvement in the Mt Beauty/Falls Creek area having skied in the Hoppet over 10 times (as a participant not a competitor). I have been heavily involved in the management committee of the Bogong Rover Chalet near Cope and Wallace's Hut during my time as a Rover in Scouts. I have also done a lot of bushwalking and ski touring on the High Plains.

As many of you would be aware we are related to the other Franzke's in town. Ian and Evan are second cousins and Ian and Carolyn and I knew each other through Scouts. So yes I am now related to my friends.

My husband Evan also enjoys skiing. He is a keen fisherman and loves mountain bike riding. He spent a number of years racing at an elite level however hasn't raced since we have been in Omeo as he has been busy being the at home dad.

We are looking forward to meeting everyone and starting a new chapter in our lives. It is such a beautiful part of the country and I am sure we will feel right at home.

Best wishes for a safe and enjoyable school holidays and we will see you in a few weeks.

Kind Regards

Kim Franzke

Year 5,6 Maths Homework

Some gentle reminders to students and to assist parents.

- At present – a Maths homework sheet is handed out each Wednesday. It is due the following Wednesday.
- All students have been reminded that leaving the Maths homework sheet until the Tuesday night is not showing sensible organisational skills.
- I have reminded students frequently, that it needs to be started early in the week.
- If there are any problems, they are welcome to ask friends, Mr Flower or myself.
- Note – Homework will resume in Term 3. There will not be a homework sheet for the last week of term, as we prepare for our Gala Open Day and Arts Performance.
