Message from the Principal:

Dear Parents

Pupil Free Day

Monday is a Pupil Free Day to allow staff to take part in professional learning. Staff will be heading to Belvoir Special School in Wodonga to observe and learn how students with additional learning needs are catered for in an alternative setting.

Walk (Ride) to School in October

This has been a very successful initiative and I encourage families to try to walk or ride at least once a week to school now that October is drawing to an end. At tomorrow's assembly students who have walked or ridden to school will get their names put into the draw to win one of 8 \$15 vouchers at Rocky Valley Bikes. Students can receive up to four tickets, one for each week.

Junior Sports Day

Each year we host the Cluster Junior Sports Day and we are seeking parent helpers to join in and help with our rotation activities. If you are able to assist please let me know.

Fundraiser

This year we will be running a Kitchen Garden Benefit Dinner on Sunday 29th November 5-8pm at school undercover on the basketball court. Ezra has offered to coordinate the meal preparation. This will replace the Twilight Festival which has run the last 3 years. Please help us to promote the event within the community.

SCHOOL ASSEMBLY FRIDAY 3pm

Year 3/4 Camp to Howmans Gap

Next week our Year 3 and 4 students will be heading to Howmans Gap for an outdoor adventure based camp with Mark Lucey and myself. Students need to arrive at school by 8.45am on Wednesday. Our return time to school will be approximately 3.00pm on Friday. Packed lunch is required for the first day including a drink bottle.

Prep Transition

Our second Prep Transition session will be held tomorrow from 9.30-11. Our new Preps all received some welcome letters written by the Yr 2 students in the mail this week.

Big Write

There will be no Big Write next week due to the Year 3/4 camp and our shortened school week.

Lunches

A reminder to families that we do not promote or encourage chips or chocolates at school in lunch boxes. There are many other healthy alternatives. Everyday students are given the opportunity to eat fruit and vegetables in class time for Fruit Snack. Many students will also extend this to their recess snack.

Bounce Back

In Bouncework we have been exploring the core value of cooperation and what it means to work cooperatively in the classroom, during playtime and in team sports.

We have been learning this alongside our Social Thinking lessons where we have been identifying expected and unexpected behaviours and also how to use our "social smarts".

This week we played a couple of cooperative games, including the one pictured where the hula hoop is passed around the group and students have to cooperate to move through multiple hoops.

Making Day

Prop designing for the Production, planting seedlings in the vegetable garden and making sausage roils in the kitchen were our activities today.
